

## Trilogy Series Grain Dryers

### \$5000 PERC Incentive

Through their own Propane Feed Program, the **Propane Education Research Council (PERC)** is offering qualified M-C customers who purchase a Trilogy Series Grain Dryer a \$5,000 direct paid cash incentive. **There are six (6) \$5,000 cash incentives available on a *first come basis*.** Customers must qualify for this cash incentive by completing an online application and meeting the following program requirements and below criteria for award consideration:

#### Program Eligibility:

- Participant must be a U.S. agricultural producer
- Complete an online application (**Opens January 3, 2012**) by visiting <http://www.agpropane.com/FEED/>
- Keep a written record tracking propane usage
- Complete two propane usage surveys
  - The customer completes the initial survey when purchasing the Trilogy dryer. The second survey needs to be completed after the customer uses the dryer after the first harvest season.
- Participant must be a propane customer in good standing with his or her fuel supplier. PERC will contact the supplier(s) to verify the applicant's account is not considered past due.
- The customer must be willing to be interviewed by PERC and agree to let images and comments be used in PERC's possible promotional videos and materials.

For full program requirements visit: <http://www.agpropane.com/FEED/>
